

Including ALL Students: WHY and HOW?

APS is increasing its commitment to including students with disabilities in the general education setting. Learn practical tips and best practices from Maryland Coalition for Inclusive Education trainers for supporting all students with disabilities in the classroom:

- Making the classroom welcoming
- The importance of presuming competence
- Modifying and adapting curriculum
- Positively addressing disruptive behaviors
- Planning for students with significant and complex support needs

Saturday, November 14, 2015

8:30 a.m. – 3:00 p.m. (Registration begins at 8:00)

Kenmore Middle School Auditorium

200 S Carlin Springs Rd, Arlington, VA 22204
