Back to School... and a great line-up of Fall SEPTA events!

September Meeting: Bullying Prevention, presented by the Parent Educational Advocacy Training Center (Sept. 22, 7-8:30 pm)

October Meeting: SEPTA Mini-Grant Program (Oct. 13, 7-8:30 pm)

At the September meeting, PEATC will present, "Is Your Child a Target of Bullying?" This workshop, which offers intervention strategies for parents of children with disabilities who may be the target of bullying at school, will help participants learn how to: identify types of bullying, develop strategies to prevent bullying, identify responses to bullying, talk to their child about bullying, obtain help from professionals, and find out about disability harassment laws.

At the October meeting, learn about the SEPTA Mini-grant program! Parents can hear about this option to support their teachers, and teachers can hear from past grant winners about their successful programs. As a special bonus, teachers who attend this meeting will be given a gift membership to SEPTA!
